

Aircraft Interior Cleaner

HEAVY DUTY CONCENTRATED CLEANER & DEGREASER

INTERIOR CLEANER is a concentrated, not-butyl cleaner and degreaser which effectively removes greasy soils from a variety of surfaces. This product is environmentally appealing because it contains no soaps, phosphates, highly toxic solvents or non-biodegradable detergents. Recommended for use where water soluble solvent cleaner cannot be used and where greasy, oil soils exist. Aircraft Interior Cleaner is approved for: AMS 1550 B Boeing Document D6 and Douglas CSD #1.

Benefits

- Highly effective on oily stains
- Does not contain butyl
- Emulsifies and holds greases in solution
- Works well in hot & cold water
- Works well in hard & soft water
- Highly concentrated
- Non toxic
- Non corrosive
- Non flammable
- Biodegradable surfactant system

Applications

- Aircraft Cabin Interiors
- Bulk Heads
- Galley Areas
- Arm Rests
- Overhead Compartments
- Lavatories
- Seat Trays
- Spot cleaning of carpet and upholstery
