

# Melamine sponges

*AeroSafe Melamine sponges are pure "magic". Our sponges remove soils you never thought possible. Use any of our sponges with our Aircraft Interior Cleaner, Neutral Cleaner Wet Wash for the exterior of aircraft or with our Jet Shield Dry Wash and you have a winning combination that cleans like "magic". You don't need to use harsh cleaners or a lot of elbow grease to clean aircraft interiors, exteriors or GSE. Try them, you'll love them! Satisfaction guaranteed or your money back! Made in USA!*
