

# Window Cleaner & More

This Professional Strength glass, polycarbonate and other transparencies (Lexan®, Plexiglass®) cleaner has the power to cut through grease and grime without leaving streaks. No film is left behind to catch dirt and dust. Your glass, polycarbonate and other transparencies stay cleaner for an extended period of time. **EASY TO USE** - Holding the bottle 8 to 10 inches away, spray directly on the surface to be cleaned. Wipe dry with a clean soft cloth, squeegee, or paper towel. Safe on all types of glass, polycarbonate and transparencies, including , Lexan® and Plexiglass®. Window Cleaner & More has the following approvals: AMS 1534B, AMS 1535B.
