

# SkyWipes

SkyWipes are a “most remarkable” product with a proven track record in both light and heavy industry, particularly aviation. They will remove wet and tacky Polysulphides (PRC) i.e. adhesives, 3M Contact 1300L and RTV sealant from a variety of surfaces. SkyWipes are economical to use, and come in a handy portable tub, containing either 100 or 300 wipes. They are also available in a 50 wipe flat pack. The wipes are kept moist by a resealable top.
