TECHNICAL DATA

GOODBYE-NF

ENVIRONMENTALLY ACCEPTABLE DEODORANT LAVATORY FLUID

GoodBye-NF is a liquid lavatory fluid deodorant that is specifically developed to meet the need for a proven technology lavatory fluid that is fully environmentally acceptable, provide operator safety, and is effective for both waste disposal and odor control. Nuvite uses a careful process and proprietary formula to create a uniquely effective and user-friendly product.

Both users and ground-based facilities prefer liquid products over powders and fillers that can contribute to system sluggishness and potential clogging due to the instability of such powders. In addition, Nuvite GoodBye-NF is very cost effective at in-service dilution rates compared with powders.

- Completely soluble in water
- Completely biodegradable
- Non-restricted for waste disposal
- Safe to all metals, plastics, and fabrics
- High dilution ratios afford economy
- Safe to personnel
- Superior odor and color control
- Conforms to Airframe OEM standards and specifications

PHYSICAL CHARACTERISTICS

- **Appearance:** Dark blue liquid
- **Odor:** Perfume
- **pH:** 7.8 - 8.2 @ 25 °C
- **Solubility:** Completely soluble in water or glycol-water
- **Flash Point:** None
- **Specific Gravity:** 1.01 @ 25 °C

INSTRUCTIONS FOR USE

1. If lavatory system is severely clogged, use Nuvite **Eliminate** overnight lavatory tank/soak flush fluid compound, prior to use of Good-Bye-NF.

2. For normal routine use, mix 1/2 ounce GoodBye-NF per one gallon of water (1:256 ratio). Add mix solution to lavatory truck and charge lavatories per normal routine.
