

Glass & Stainless Steel Cleaner

Part # CC-100

DATA SHEET

Aviation Cleaning Supply • 1 Warren St. • Johnstown • NY 12095 • 518.705.4038

Description

Glass & Stainless Steel Cleaner

ACS CC-100 cleans and polishes any washable hard surface and dries film free. **ACS CC-100** can be used on windows, mirrors, counter tops, monitors, televisions and much more.

This economical product outperforms expensive aerosols at a fraction of the price. **ACS CC-100** is ammonia free and does not contain corrosives products that can damage surfaces.

The use of deionized water and proprietary solvents in the manufacturing of **ACS CC-100** allows for faster dry times, excellent cleaning power and no streaks.

Product Advantages:

- Ammonia free
- Ready to use, non-aerosol formula
- Cost effective
- Will not streak
- Fast and easy to use
- Polishes stainless steel surfaces

Directions for Use:

Spray **ACS CC-100** onto surface while holding the sprayer about one foot away from the surface. Clean sprayed area with a clean, lint free cloth. Once cleaned, polish surface with a clean, dry cloth.

Spray small sections at a time to avoid product from drying on the surface.

When cleaning electronics and monitors, do not spray **ACS CC-100** directly to the surface. Spray onto cloth and wipe surface clean.

Note: Painted, varnished or lacquered surfaces may spot if allowed to remain wet. Wipe off immediately.

Chemical Properties:

Appearance: Clear, blue liquid

Odor: Fresh clean scent

Specific Gravity : 0.99 - 1.00

pH: 7

Solubility in water: Not determined

Stability: Stable

Health & Hazards Rating:

Category	NFPA	HMIS
Health	1	1
